## A Message from our President

Welcome and thank you for your interest in GNB who has been providing highly successful vacuum products for the worldwide scientific and industrial markets since 1968. Our vision is that our customers will be so impressed that they say “WOW! We’d like to do business with GNB again.” Because of this GNB will become renowned for the value we add to our products and services. GNB values customers, partners, and employees who demonstrate positive and productive attitudes, enthusiasm for excellence, integrity, highly skilled work, professionalism, and community service.

*Ken Harrison, P.E.  
GNB Corporation*
